# TECHNICAL

Size: 1220mm x 2440mm

Finishes: Suede, Matt, Glossy & Variable Texture.

Back Side Finish: Uniform Sanding gives guarantee for easy pasting.

Durability: The best technology provides high durability to our Laminates. Our Laminates are mended for life time.

Flexibility: A Specialty formulated phenol formaldehyde and melamine for formaldehyde resins with a special kind of plasticizer is used for better flexibility.

Note: Sample pasted here in represent only colour and finish, may not actual thickness. Please keep laminates away from direct sunlight.

Bonding of Laminate under high humidity, plywood with high moisture content, ply with uneven surface, inferior quality adhesive and insufficient pressure may lead to delamination / air bubbles in between ply and laminates.

The product must be inspected prior to installation and our liability will be limited to the extent of the cost of the product only.

Care & Maintenance: Wipe clean with ordinary soap or household liquid detergent. For stubborn stains, use diluted organic solvent or stain remover. Abrasive cleaners and wire brushes are not recommended.
